

The Miner.

Local Intelligence.

RACE.—Sunday last there was a race between two horses, one belonging to the Saunders brothers and the other to Reddick & Feland. The distance run was 300 yards—the pile run for \$10. Much money was bet by outsiders. The Reddick & Feland animal won the race.

The freight trains of Messrs. Jones, Werninger and Chapman arrived in Prescott, from La Paz, early this week, with a large amount of freight, principally for Fort Whipple. They started back Wednesday last, with lumber, shingles, etc., for Skull and Kirkland Valleys, Wickenburg and Camp Date Creek. The trains belonging to Charles W. Beech, Miller Bros., and J. A. Cheetham arrived from La Paz yesterday, with goods for our merchants, but no provisions.

PAPER.—By Jones' train we received a supply of this, a necessary article, and hereafter, we hope to be able to make the connection regularly. We sent for a large stock of paper, and of course expected it all, but the ways of Providence are inscrutable, and we were disappointed. Nearly half the pile was rendered worthless for printing purposes by the breaking of a large vessel containing some sort of acid, which said acid eat up over 300 quires of paper.

HINTON, HOOPER & CO.—As will be seen by notice in another column, Geo. F. Hooper has withdrawn from this, the oldest and heaviest mercantile firm in Arizona, and Francis Hinton, one of the original founders of the house, has taken the place of Mr. Hooper at the head of the firm. We regret that Mr. H. has severed his connection with the Territory, but feel satisfied that Mr. Hinton's solidity as a capitalist, his excellent business qualifications and sterling integrity of character will add to the good name of the house. Mr. Hinton has amassed a fortune in the Territory, and is now using it for a good purpose—the development of the mineral resources of the Territory.

A NEW house for a restaurant is being built on Gurley street, between the store of E. J. Kerr and Dunn's butcher shop.

MR. GENTILE requests us to inform those who are hanging back until he lowers his prices for taking pictures, that his present prices are as reasonable as he can afford, and that he does not intend to lower them. Persons desiring to see themselves as others see them should be governed accordingly.

SEE advertisement of M. K. Lerty. He is prepared to administer to the wants of man and beast.

ATTENTION is called to orders recently issued by the Supreme Court of the Territory, changing the times of holding terms of the District Courts of the Territory, which is published elsewhere. Sorry the Court did not fix upon different months for holding court in this district.

W.M. KING, who was wounded by Indians some time ago, paid no visit during the week. He has been stopping at Fort Whipple Hospital. Thanks to Dr. Middleton, his wound is healed up and he is gaining strength rapidly.

CURRIO and shooting are getting to be quite common practices in this community, and a stop should immediately be put to them. The other night a man was shot in the leg, and a short time ago, one Mexican cut another with a knife. The Sheriff, Deputy Sheriff and some citizens tried to secure the one who did the cutting, but he eluded them and has probably gone to Sonora or Tucson. The law against firing guns and pistols in the streets, if rigidly enforced, might stop the evils complained of. A night in the calaboose, and a few good fines might cure some of the knaves.

C. T. ROGERS, Gray & Co.'s obliging salesman, at this place, will accept our thanks for his present of the weed—a sample of a lot of smoking and chewing tobacco recently received by him from La Paz.

W.H. HARDY has commenced suit (see summons) in the District Court of Mohave county to recover \$30,000, balance due for crushing rock from the Southern Cross and Michigan mine, in that county.

SIR.—During our editorial career in Prescott, we have never, until now, had occasion to scold any of our citizens for meanness, but our carrier informs us that copies of the Miner left at the doors of subscribers by him, are frequently stolen. Now, this is minute meanness, and a grown person who will stoop so low, must indeed be mean.

CORN MEAL.—Since our last, several wagon loads of corn meal were brought here and sold by citizens of Walnut Grove. Thursday last, Messrs. Postle & Shivers brought a load up. Our merchants sell it for 14 cents per lb, gold, and there being no flour in the country, it sells readily.

DR. MORRISON'S new billiard and drinking saloon was opened to the public Saturday evening last. It is, we think, the largest, best finished and furnished saloon in the Territory. On the opening night the crowd assembled there was huge. Bucking at Faro, billiard-playing and drinking were indulged in to a great extent. The two amiable bar-tenders, Bill Linn and Joe Crane had all they could do to keep the thirsty crowd moistened.

CAL JACKSON & Co. have received two fine billiard tables and a lot of furniture for their saloon, on Montezuma street. They have also purchased the building occupied by them for several months past, from George Soule, for the sum of \$2,000, and are building a large addition to it. Cal deserves well of our people, for his energy and success in developing our mines, and also for bringing us a score or more intelligent, stout hearted Democrats from Sonoma county, California.

A FORM of considerable merit appears on the outside of to-day's MINER. The poet lauds to the skies the braves of Co. B, 8th cavalry, and their gallant Lieutenant.

A. C. WILLIAMSON, of Willow Valley, advertises his readiness and willingness to ranch stock. Animals committed to his care will be well fed and taken care of.

JOSEPH EAST and family, and S. S. Strode and family, have removed from town to Skull Valley.

LECTURE.—Mr. C. C. Bean lectured at the Court House last Thursday evening.

L. CURTIS, Aaron Wertheimer, of the firm of Wormser & Co., La Paz & Prescott, and George Soule, arrived from La Paz recently.

GET UP A SCHOOL.—The people of Prescott and vicinity should immediately move in the matter of establishing a school in this town. We understand competent persons, male and female, stand ready to take charge of it, and we know that many children, who need schooling, would attend.

OUR new postmaster, G. W. Barnard, is gradually fixing up his place in the Old Capital Building. He has had several hundred boxes made, for the accommodation of the public. His administration, so far, has given entire satisfaction.

NO FLOUR.—These two words are now upon everybody's lips. We were in hopes that the trains that have just arrived here from La Paz, would bring a little of the staff of life, but they did not, and it may be months before our citizens will enjoy the pleasure of flapping their lips over hot biscuits. Our people are very fortunate in having plenty of corn meal and vegetables. Mr. Beach informs us, that the people of La Paz were living on hard tack when he left there, and had commenced to see the bottoms of the barrels. At Arizona City, too, great scarcity existed, and it was feared the *Lame*, the vessel upon which most of our merchants had shipped supplies, was lost in the recent gale off the Mexican coast. If so, the firm of Hinton, Hooper & Co., Arizona City, Gray & Co., La Paz and Prescott, Wormser & Co., Campbell & Buffum, Henderson & Co., Levi Bashford, of Prescott, will be sufferers. We, however, expect safe arrival at the mouth of the Colorado, by next mail. She left San Francisco some sixty days ago.

POTATOES.—We were in error, a short time ago, in stating that A. C. Williamson, of Willow Valley raised, the past season, seven tons of Irish potatoes. The truth of the matter is, he raised over eleven tons.

FELLOW CITIZENS OF YAVAPAI.—Your ears for a moment. Not for the purpose of cutting them off, but to yell into them the fact that E. J. Cook's Adobe Store is now filled with choice groceries and provisions, fashionable clothing, nice ladies' goods, glassware, crockery and everything that can possibly be required to meet your wants, and the beauty of the thing is, he avers (Mr. Cook never swears), his salesman, Geo. Reed attends to that part of the business, that he is determined to sell goods cheaper than any other trader in Prescott. Call at the Adobe, see how neatly things are arranged by Mr. Reed, examine his goods, and our word for it, you cannot resist the temptation of buying something from him—he is such a nice pleasing gentleman, and so polite to ladies and gentlemen.
